of the  
Valley

Christmas, 1955

Dear Helen, Henry, Emma & Roy,

This album is my humble gift to you as a tribute to our loved ones who have passed on, and to the rest of us whose mission must be to serve as they left behind, and to the life they left behind them. It is not an attempt to replace your memories with mine but rather to help you keep alive those we all have. I hope you will add to this album some of your own thoughts and family experiences and make of it a growing, living thing for your children.

If this succeeds in some small way to give you Peace of Mind and faith in a Loving God, my sincerest wish has surely been granted.

Lovingly,  
Irene
